

Summary of ISOSWO Committees

Audit Committee

The committee shall oversee the Chapter's financial affairs and at such times as the Board shall direct, but at least once per year prior to the annual meeting, conduct a financial audit. In addition, the committee shall tally the results of (a) all elections of Directors and officers; and (b) voting on such other issues and matters as the Board shall direct.

Member Services Committee

The function of the Member Services Committee is to recruit new members and retain current members for the Chapter. The Committee evaluates the services ISOSWO offers including website management.

Programs and Arrangements Committee

The function of this Committee is to coordinate the Chapter's seminars and meetings including spring and fall conferences.

Bylaws Committee

It shall be the duty of the Committee to review the Chapter's Bylaws and to give guidance on questions of process when requested by the Board of Directors. It is also the responsibility of the Bylaws Committee to review the bylaws and propose needed changes or amendments.

Legislative Committee

The committee is responsible for hosting the legislative planning session and legislative breakfast. The Legislative Committee has historically met as a committee during the legislative planning session when ISOSWO's draft positions on forthcoming legislative issues.

Technical Advisory Committee

The Technical Committee gathers together ISOSWO members with an interest and expertise in solid waste management to provide input into proposed or existing regulations, laws, guidelines, processes, policies and procedures. Frequently, but not always, these items are originated as rules under the Iowa Administrative Code or as laws under the Code of Iowa. Historically, such issues have been related more to the engineering and scientific aspects of solid waste management than to the planning aspect.

Awards Committee

The Awards Committee's basic purpose is to recommend to the Board of Directors individuals and organizations worthy of recognition for their service to ISOSWO, SWANA, and/or the Iowa solid waste management industry.

Scholarship Committee

The Scholarship Committee meets at least once each year to review Iowa-based applications for ISOSWO and SWANA's scholarship award. The Committee follows the specific guidelines set forth by SWANA and makes recommendations to the board for approval.

Investment Committee

It shall be the duty of the Committee to research long-term investment options for Chapter funds, recommend investment action to the Board of Directors for approval, and execute the approved investment action.

Nominating Committee

The main function of the committee is to solicit interested members to be on the ballot for the ISOSWO board of directors and present the ballot to the board for approval.

Leadership Advisory Committee

The Leadership Advisory Committee is charged with keeping the ISOSWO Board on track with development of its charter which include: ensuring continuity of planning and leadership for ISOSWO and training individuals who may become the next generation of ISOSWO officers.
